

Indigenous Peoples' Day:
International Days of Prayer and Action for Standing Rock
October 8-11, 2016

Monday, October 10, 7-8 pm

We gather on Indigenous Peoples' Day (formerly Columbus Day) for a

prayer vigil

for Standing Rock Water Protectors

at Cannon Valley Friends, 512 Washington Street, Northfield, MN.

Please enter quietly and join the silence in a prayerful attitude.

The hour will include a brief report from the Standing Rock camps, prayers by leaders and from the group. We conclude with a procession to the river.

This is real, not a symbolic or feel-good act. Our intention is one of the factors that create the world. Loving attention heals the earth and all of us.

Some additional opportunities from the leaders of this day:

- Any or all four days: boycott all gas stations, especially Phillips 66.
- October 11: Close your bank accounts with Bank of America, Citibank, TD and Wells Fargo;
- Donate supplies or money;
- Write government officials;
- write Dakota Action/Energy Transfer people;
- Come to the camp in a supportive manner.
- Take action to protect our own water, land, and air from pipelines, fracking, mining, and pollution. Let Standing Rock be a catalyst for protecting all our homelands.
